Continuation Sheet (PTOL-413)

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner called to confirm that the instant application has been abandoned as stated in the REMARKS § on page 9, filed January 11, 2005. Jean Baker has confirmed that application 09960234 has been abandoned. The examiner has indicated to Applicant that claim 21, filed January 11, 2005, has underlining, which could reasonably construed as a proposed amendment to said claim. Further, the same underlining is present in claim 21, filed February 18, 2004. The Examiner has confirmed with Applicant that the underlining in claim 21, filed January 11, 2005, was due to a typographical error. Therefore, the response, filed January 11, 2005, does not require an AdvisoryOffice Action because of the lack of amendment and argument in said response.
